kEy Recognitions Recognize Someone!

Kudos to: Austin Diaz

I would like to recognize Austin Diaz for his willingness to learn and do the right thing. Being a new employee can be overwhelming sometimes and he has taken it in stride. He has displayed willingness to question, and bring up safety concerns while learning his new role. Great job Austin!

CONTINUED GROWTH ADOPTED IOGP'S LIFE-SAVING RULES

- Training for all employees
- 9 Month focus on each of the 9 individual elements
- Weekly discussions on each element during our Wednesday supervisor call
- Learning teams that are focused on improving organizational weaknesses
- Assignment and tracking of corrective actions

 BYPASSING SAFETY CONTROLS	 CONFINED SPACE	 DRIVING
<p>Obtain authorization before overriding or disabling safety controls</p> <ul style="list-style-type: none">• I understand and use safety critical equipment and procedures which apply to my task• I obtain authorization before:<ul style="list-style-type: none">– disabling or overriding safety equipment– deviating from procedures– crossing a barrier	<p>Obtain authorization before entering a confined space</p> <ul style="list-style-type: none">• I confirm energy sources are isolated• I confirm the atmosphere has been tested and is monitored• I check and use my breathing apparatus when required• I confirm there is an attendant standing by• I confirm a rescue plan is in place• I obtain authorization to enter	<p>Follow safe driving rules</p> <ul style="list-style-type: none">• I always wear a seatbelt• I follow the speed limit and reduce my speed for road conditions• I only use hands-free devices when driving• I am fit, rested and fully alert while driving• I follow journey management
 ENERGY ISOLATION	 HOT WORK	 LINE OF FIRE
<p>Verify isolation and zero energy before work begins</p> <ul style="list-style-type: none">• I have identified all energy sources• I confirm that hazardous energy sources have been isolated, locked, and tagged• I have checked there is zero energy and tested for residual or stored energy	<p>Control flammables and ignition sources</p> <ul style="list-style-type: none">• I identify and control ignition sources• Before starting any hot work:<ul style="list-style-type: none">– I confirm flammable material has been removed or isolated– I obtain authorization• Before starting hot work in a hazardous area I confirm:<ul style="list-style-type: none">– a gas test has been completed– gas will be monitored continually	<p>Keep yourself and others out of the line of fire</p> <ul style="list-style-type: none">• I position myself to avoid:<ul style="list-style-type: none">– moving objects– vehicles– pressure releases– dropped objects• I establish and obey barriers and exclusion zones• I take action to secure loose objects and report potential dropped objects
 SAFE MECHANICAL LIFTING	 WORK AUTHORIZATION	 WORKING AT HEIGHTS
<p>Plan lifting operations and control the area</p> <ul style="list-style-type: none">• I confirm that the equipment and load have been inspected and are fit for purpose• I only operate equipment that I am qualified to use• I establish and obey barriers and exclusion zones• I never walk under a suspended load	<p>Work with a valid permit when required</p> <ul style="list-style-type: none">• I have confirmed if a permit is required• I am authorized to perform the work• I understand the permit• I have confirmed that hazards are controlled, and it is safe to start• I stop and reassess if conditions change	<p>Protect yourself against a fall when working at height</p> <ul style="list-style-type: none">• I inspect my fall protection equipment before use• I secure tools and work materials to prevent dropped objects• I tie off 100% to approved anchor points while outside a protected area

I commit to abide by this oath in order to fulfill my obligations to my personal safety and the safety of others. Following this oath is one step in which I could prevent major events from happening while saving lives. A disregard for any of the 9 elements will result in accountability measures that may lead up to termination.

Thank you.
